The Mason LINE

by Chan Mason

First off, let's clear up an error of omission in last week's column. We inadventently left out the word "assistant" in Sam Solleder's title.

Byron Netzley is of course our able district school superintendent and a mighty good one he is too. Sam is his able assistant.

The versatility of knowledge required of a school superintendent these days never fails to amaze me. Business affairs, management, law, monetary policies, employer-employee relationship, building codes, real estate values, etc. All this besides having full charge of training a very complicated community of 3000 very individualistic personalities. If that ain't rough enough, along comes some guy and writes a column about schools, teachers and such and not only doesn't mention his name, but gives someone else his title. Tough life, Byron!

We wonder just what constitutes a disaster. It appears that the government has decided that the huge poultry losses sustained by this area's poultrymen was of such short duration that it can not be classed as a disaster area. Takes a drought or something of that nature to qualify.

Is it just mere coincidence that the cattlemen have a powerful lobby in Washington and the poultrymen don't?

— M L —

The chicken farmer hasn't fared so well with our local legislators either. He's been classed as a menace to public health and even though he complies with all sanitation laws, is eventually zoned out of business anyway. Meanwhile, a sewage condition which menaces the very lives of all of us is allowed to exist.

— M L —

We wouldn't care to be a public official either if disease breaks out in the American Homes district. They've kicked this little area around but good for some years now. No more interesting and complete run around has ever been given to any citizens of any area by an official or groups of same, anywhere at any time. We'll elaborate later, particularly around election time.

YOU'LL GET THAT HOUR BACK SUNDAY MORNING

Days are getting shorter.

Football time is here.

The hour we've been giving up every morning will be given back to us in one fell swoop as standard time returns.

Saturday midnight, if you can keep your tired eyes open that long, you may turn your clock back . . . make it read 11 o'clock. Then, when you get up Sunday you will have gotten back the hour you lost last spring.

Ho hum. A guy gets sleepy just thinking about it.

Johnson's Youngest Finally Makes The Press

When Donald James Johnson, the newest son of dentist Doctor Donald Johnson was born at Paradise Valley Hospital August 7, little did he know that he almost got the editor of this newspaper run out of town.

The child's father, a neighbor of the editor, stopped by the editor's home and meticulously explained all the details of the arrival of the fourth in the Johnson family line.

The editor, fathead that he is, failed to follow through to see that the story got into print and the Johnson scrapbook for three generations was left with a void.

Not only that, but grandparents in Nebraska and Illinois also cocked their eyebrow at the journalistic absentmindedness of the local newspaper.

Now, the records may be completed. Donnie has practically grown to youth-hood while waiting, however. The only family members who didn't get perturbed were Billy, 7; Barbie, 5, and Jannie 3½. Sandy, their mother, was not too upset about it either. Actually all that happened was that Doc's golf game fell off a bit.

The Johnson live at 2966 Buena Vista.

Donnie weighed 8 pounds, 3½ ounces at birth. Whew!

L. G. Stationers Get Distributorship

Lemon Grove Stationers, 3482 Main Street, has been named exclusive county distributor for Kleanwrite Products. Included in the products are duplicator supplies, carbon paper, typewriter ribbons, mimeograph supplies, stencils and ink.

Kleanwrite is manufactured by the Frankel Carbon and Ribbon Company of Denver, one of the largest producers of this type of material in the world.

Earnest Newton, co-owner with Eddy Loop of the local firm said that their sales volume had attracted the attention of the Denver firm for consideration as a distributor. It is believed that the local firm sells more of these items than any other in the county.

Stationers Corp. in San Diego was formerly distributor for Kleanwrite products.

Section of Freeway Through L. G. To Be Started

Bids will be opened next month on the freeway section from Lemon Grove to La Mesa. Full freeway standard will be applied to the road from College Avenue, J. Dekema, district engineer for the state highway department said.

The improvement will be north of the present route via Broadway and is a continuation of the section of freeway nearing completion from San Diego to College. The freeway will eventually connect to the city of El Cajon.

Included in the 2.6 miles of new construction are: six lanes of concrete pavement with provisions for ultimate eight lane development; bridges at Massachusetts Avenue, Waite Drive, Grove Street and one near the junction of Palm Avenue and Campo Road in La Mesa; and pedestrian overcrossings at Costa Bella Drive, Quarry Road, and Dexter Drive. Highway lighting and illuminated signs in the ramp areas will be installed as necessary. This construction should be completed early in 1957, Dekema said, and will relieve the traffic problems created by the tremendous growth in the areas served.

GIRL SCOUT NEIGHBORHOOD FIRST MEETING TO BE FRIDAY

Lemon Grove Girl Scout Neighborhood will have a meeting for leaders, assistant leaders and committee members Friday at the Lemon Grove Youth Center at 9:30 a.m.

Meeting dates and places for Brownies and Girl Scout troops will be given.

School Board to Continue Study Of Curriculum

The Lemon Grove Education Center is the scene for the screening of a special film Monday evening, Sept. 26, when the Lemon Grove School Board meets for its second monthly meeting. The picture, dealing with the Prescott Child Study Group, will be presented by Mrs. Ellen Berdell, Vista La Mesa teacher.

In accordance with a custom established last year, the board will continue to review various phases of the school curriculum at the second meeting each month. In order to permit patrons to take advantage of these presentations, future meetings will be held at the elementary schools throughout Lemon Grove: October 24, Golden Avenue; November 28, junior high; January 23, San Miguel; February 27, Vista La Mesa; and March 28, Monterey Heights. Faculty members from the school sponsoring the meeting will participate in the scheduled demonstrations.

At the September 12 meeting, the board authorized the purchase of a ½ ton pickup truck from the Lemon Grove Fire Department for use by the school maintenance department. At the same time they authorized purchase and installation by the maintenance personnel of certain additional safety controls on all heating equipment. Because of accidents elsewhere in the state, new legislation has been passed governing such controls, and the district has been so notified by the State Department of Education and the State Division of Industrial Safety.

S. K. Solleder reported an enrollment of 2991 the opening day of school, with a later report of over 3000 at the close of the first week. By using all classrooms to capacity, students have been placed on regular all-day sessions. In the case of kindergartens, it is necessary to transfer pupils from one session to another and from one school to another in order to equalize the class load. Kindergartens are special classrooms built to accommodate 75 to 80 pupils on two sessions, and an increase in those classes is often not sufficient to justify the construction of another such room.

The board stated last Monday that it would be the policy of the school district to transfer children as required to avoid double sessions on other grades and to equalize the number of students assigned teachers. Letters of explanation have been mailed parents of those students who, on a geographical basis, were transferred.

A group of citizens living west of the school site on San Miguel Avenue visited the meeting to voice a complaint concerning drainage from the site which, they stated, caused flooding and damage to property. The board voted to investigate to determine if the school district is responsible for the condition, and the delegation will be notified to appear again before the trustees after findings are completed.

Negotiations are continuing on the Jaffe property purchase which is scheduled for a superior court hearing October 5.

Alvarado Drive-In Manager Named—Opening Date Set for Wednesday

Lewis Rose, 3250 Par Drive, Brookside, has been named manager of the new Alvarado Drive In Theatre built in La Mesa by three enterprising Lemon Grove young men.

Bud Lang and Herb and Walter Long, who found themselves in the theatre business last year when a theatre in the property they owned reverted to them, found the business to their liking. They sold the Grove Theatre to Clyde Hayden, then embarked upon the open-air project.

The new theatre is at the junction of El Cajon Boulevard and Alvarado Freeway and represents an investment of a quarter of a million dollars.

The huge parking area will comfortably handle 1000 cars. The screen, one of the largest in the east county, is 50x100 feet or five times as large as the floor space of an average home. The entire plant covers 12 acres.

A self-serve snack bar will overcome line-standing at picture breaks.

A playground for youngsters is a part of the plant. Opening date has been tentatively set for Wednesday, September 28 at dusk. Admission price will be 80c for adults; 50c for juniors and children under 12 free.

Triple Program For Men's Club

A triple play program will be presented Friday at the Men's Club in Lemon Grove.

Grossmont High School District representative Tom Warburton will tell what the new high school bond issue will cover. A testimonial to Forrest Dokken, local telephone executive who is being kicked upstairs to Los Angeles will be part of the program. Max Goodwin, publisher of local newspapers, will have part of the program in the interest of National Newspaper Week.

Bert Betts, club president, will be absent due to pressure of business.

Golden Wedding Celebrated By Kentucky Couple

Fifty years ago on August 24, 1905, Atlanta, Illinois was the scene of a marriage that was celebrated for more than a week in Lemon Grove in August, 1955.

Henry Clay Lane, born in a log cabin in Somerset, Kentucky, August 11, 1877, wedded Miss Ida Devine, Born in Maxville, Kentucky, in 1884.

Lane was a farmer for 51 years in Iowa, leased 1000 acres of land, raised corn, wheat, oats, cattle and hogs; worked hard and prospered.

Mr. Lane's forbears were Kentuckians from 'way back.

Nine children, five girls and four boys, were born to Mr. and Mrs. Lane. Eight of the children are living, the oldest son having been killed in an auto accident eight years ago. The children and their children are scattered over the United States, two girls in Washington, D. C., one girl in Denver, where she has a good job with the government, one girl in Kansas, one girl in Los Angeles. One boy is in Iowa, another in Dallas and the third in Lemon Grove. The last mentioned boy has been in the Navy for 23 years. His family lives next door to his parents, whose home was purchased in 1949 but Mr. and Mrs. Lane came here New Year's Day in 1950.

Henry Clay Lane is over six feet tall, weighed 230 pounds for 45 years, weighs 227 pounds now. He says he usually eats some Wheaties and a cup of coffee for breakfast, sometimes adds a couple of eggs and a piece of bacon, but no big breakfasts like he had when he was out and in the field with four horses at 6:30 a.m.

He is a Democrat in politics (admitted that Kentucky is considered a Democrat stronghold) and remembers one time when Grover Cleveland was running for president he went with his father to a rally and there was a balloon ascension and a fellow in red silk pants and a green coat went up in the air carrying a big red rooster (the Democratic emblem in those days, later replaced by the donkey), and when the balloon got up about 1000 feet in the air the "aviator" threw the rooster out which circled around and came down safely, and Cleveland was elected.

Speaking of wages paid in those days, Mr. Lane was paid $21 per month and board, worked from "can to can't," meaning "can see to can't see," saved his wages for four years and rented a farm and was on his own.

Mrs. Lane sat by while Mr. Lane talked to this reporter, saying little, smiling occasionally. She is in good health, does her own housework, and is happy.

Mr. Lane is glad he came to Lemon Grove. His health is good, he takes a keen interest in county affairs, wonders why his taxes are $300 a year now when they were $129 his first year here. Thinks the citizenry should get together and stop some of this useless spending, also that there are too many men on the payroll for the work accomplished.

One regret Mr. Lane has is that he didn't buy Lomita Village for $14,000 when he was offered it by a real estate man when he came here. He had the money, he says, but didn't use it. However, he doesn't repine too much. He is enjoying life, has raised a fine family, been a good citizen and has no worries. What more can a man ask?

NEW HEAD FOR LOCAL TELCO FIRM

Charles H. Muller, 9249 Manor Drive, last week was appointed manager of the Lemon Grove-La Mesa exchange, succeeding Forrest Dokken.

Dokken becomes sales manager of Pacific Telephone's west division, with headquarters in Los Angeles. His responsibilities will include the southwestern part of Los Angeles, as well as Compton, San Pedro, Inglewood area.

MULLER — A NEW BOSS

Muller recently has been manager for the Pt. Loma and Hillcrest sections of San Diego. He, his wife, Anna Mae, and their two pre-school boys, have lived in La Mesa for several years.

Muller attended San Diego public schools and state college. He started his telephone career in 1948 in the sales department, and has held a number of managerial assignments since.

He is a member of the San Diego Junior Chamber of Commerce, and the Civitan Club.

Dokken was appointed local manager in June of last year. He is a member of the Rotary Club and the Chamber of Commerce. He will assume his new duties on September 26.

Dokken, his wife, Mary Jane, and their eight-year-old son, Forrest Jr., plan on moving to Los Angeles in the near future.

Leonard Gruen to Open Men's Shop Next Month

There's a new men's wear shop coming to Lemon Grove but it hasn't been given a name yet.

The shop, which will handle popular priced, nationally known merchandise, will open early in October at 2921 Broadway, next to Morrison - Adams Jewelry Store.

Owner and operator of the shop will be Leonard Gruen, who was attracted away from Chicago by Curtis Coleman Associates, the latter of whom developed the bank of buildings at the east end of Broadway.

Gruen said the shop will stock shirts, sox, underwear, hats, shoes, suits, sport jackets and coats, sweaters, slacks, semi formal wear and swim wear.

Gruen is establishing a home in Lemon Grove for his family which includes his wife and child.

SAN MIGUEL P-TA COMPLETES WORKSHOP

San Miguel P-TA was well represented at the annual workshop of the Mt. Helix Council P-TA held Wednesday at the First Methodist Church in La Mesa.

Nation, membership; Mrs. E. R. Schroeder, courtesy; Mrs. Elizabeth M. Bunch, radio and television; and Mrs. C. W. Skinner, publicity.

The Dimmer VIEW

By MAX GOODWIN

I guess you know that by way of my constitutional rights I may write about anything I choose in this column, and moreover, I may criticize and malign any person or group who is standing in my line of editorial vision.

I may have to answer to a court of law for voicing my opinion, or engage in a fist fight for my opinions as I did at the Democratic Rally last year, which I attended at specific invitation and at which I was inadvertently seated with some of the Demolunatic fringe people instead of at the press table, but the press' freedom is acknowledged here as it is at most other papers.

What keeps me on the straight-and-narrow more than anything else is other editors. I don't mean the ones who edit newspapers like the La Mesa paper, or the El Cajon papers or even the Uniontrib. I just don't think these rascals are much smarter than I. The guys I've got to fancy-dance around are the guys who write columns for this newspaper. They lambast me when I get off base on some project. There's Chan Mason who has a sharp pen; and Dick Henderson who takes the innocent approach which leaves me looking sillier than I am, and even Bob Turnbull, the teenage editor, who hops me now and then with all the vigor of youth.

Sarah Mae Thomas, our bird columnist for our Spring Valley paper so far has not nailed me for anything, but on the other hand I have always been kind to birds and animals, if not human beings.

Hank Carr, local businessman who runs a paid, editorial-type ad in our paper on page three every week also nails me occasionally but I stand aloof, refusing to be crushed by vitriolic observations and comments because I know that I'd have to rewrite the Constitution if I decided I could legally or morally prevent them from having their say. Only unfair part is that I can be sued for something they say.

I get a pretty good scouring sometimes from editors of the weekly publications put out by clubs, groups and organizations. Maybe I didn't properly publicize their event, and believe me, they tear this editor flesh from bone. The service club weekly letters occasionally gather me in with a little name calling, these mostly being in a lighter vein.

Not being for general distribution, these latter pull out all the stops when they get something on me. This, coupled with the fact that movies have it that you shouldn't say anything to a newsman unless it is couched in an insult and sprinkled with profanity.

Columnists and pamphlet editors alike know they are not likely to face up to action on slander from a newspaper editor even if the remarks are slanderous, because that would be like dog biting man. An editor, after all, is a selfless person.

All of this is appropos of nothing except to be able to state that the law of retribution though slow, is inexorable. One of the editors of a club pamphlet distributed locally made the sorry mistake of comparing me and my operation with a local citizen who has a reputation for honesty and high integrity. He had a heck of a piece the next week explaining that he hadn't meant it that way. That's how I first found out about it. Facetious as it was intended, it just didn't register that way with the family, and they evidently took him well apart sinew by sinew. As the old saying goes, the insult of comparing the editor with any person living or dead was not intended and names in the future will be changed to protect the innocent.

The pamphlet writer has since appeared a bit more contrite, but maybe that was my imagination. The thing it proved is, that I have, after all these years, become a standard . . . something like a minute, or a pound, or 3.2 beer. The only trouble is that I have, at least in this case, become the standard of rascality.

LET US SELL YOUR HOUSE

We probably have more people visit our office looking for houses to buy or rent than the average real estate office.

We naturally show these newcomers listings of homes for sale in our classified section.

We spend considerable time directing these visitors to the areas the listings are located in.

Here's a chance for some smart real estate dealer to get the traffic that our individual home owners have learned to expect when they run a "want-ad."

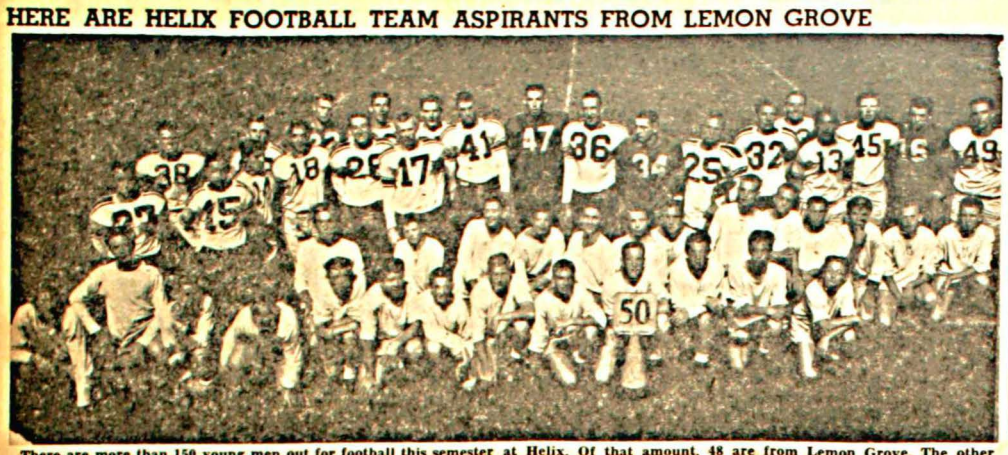
HERE ARE HELIX FOOTBALL TEAM ASPIRANTS FROM LEMON GROVE



There are more than 150 young men out for football this semester at Helix. Of that amount, 48 are from Lemon Grove. The other night, following scrimmage, Roger Johns, our photographer, got the Grove youth together. They made this impressive picture.
—L. G. Camera Foto

Parents of Helix High's football aspirants were treated last Thursday evening to a full-fledged preview of what to expect from their stalwart sons on the gridiron this season.

In an informative and well timed schedule the guests were first welcomed by Principal Benton Hart who related the value of a good football program in a high school curriculum. Head Coach Tom Welbaum and assistant Bob Devine collaborated in introducing the other members of the coaching staff. Ben Duea, Dave Le Fevre, Dick Gerry, Darrell Victor and trainer Dr. Les Julian, team physician Dr. David Wilhite and dentist Dr. Hal Greenley were also praised for their part in caring for the boys.

An equipment demonstration featuring varsity end Ron Svaalstad amazed old time gridders when such items as cantilever shoulder pads, sponge rubber knee pads, teeth guards, sponge rubber protection in the helmets and taped ankles for the entire squad made their appearance.

Immediately after the introduction of all (150, count 'em) candidates, two 15 minute scrimmages between Varsity and Junior Varsity squads followed under the light in the Helix Stadium.—C. M.

San Diego JC Rips Fullerton Squad, 41-26

San Diego Junior College successfully opened its first seasonal football tilt last Friday night in Fullerton as they romped over the Hornets by the score of 41-26.

Outstanding on defense was ex-Highlander Ed Dobis and Knight letterman Joe DiTamaso, both guards.

But the big gun for the Knights was rookie halfback Art Powell, who, last year, was all-SCIF end for San Diego High School. Art, recently converted to halfback, tallied three TD's for the victors, one on a 90-yard burst through the middle. The other two were aerials Art caught from Tom Tomaiko, quarterback, one for 27 yards and the other for 35 yards.

Other Knight tallies came from Dallas Evans, end; Tomaiko, qb; and Jack Jones, half. Ray Speitel, center, kicked three conversions and Karl Jordan, Lemon Grove, who played four years as fullback for Helix kicked two conversions.

This Saturday the Knights fly to Phoenix to play the Phoenix JC Bears.

Too good to be true in these days of pinched budgets, isn't it! Why not plan now to visit your nearest Hollywood Beauty Shop — Seven of them, all at street floor locations, all spacious, artistic, scientifically lighted and immaculately clean.

Hollywood Creme Cold Waves (tested by thousands) are effective for all types of hair — dry, fine, grey, white, the long or the short. There are none better and the story behind this fabulous Cold Wave is VERY important.

Realizing that the solution is the most important factor in the field of cold waves and must consist of nothing bu he finest ingredients, the solution used in this wonderful Hollywood Creme Cold Wave was developed by an expert after long resarch, and a day-by-day vigil is kept to assure it of imrpvements that will keep this marvelous solution the finest to be had. Solutions MUST NEVER harm the hair or scalp ! !

Appointments not necessary —but would be appreciated

Knowing how to apply the solution is of equal importance in giving you the finest wave, a Hollywood Cold Wave. Kennth Priest, owner of the Hollywood Beauty Shops, emphatically states that a quality Cold Wave CAN NOT be accomplished by production line methods, so at Hollywood the patron receives the personal attention of one operator the entire time. Every operator is specifically trained in Hollywod methods and is not employed with less than five years' experience. (A very assuring factor.)

Because of the high efficiency maintained in Hollywood Shops, there can be no shoddy work or improper materials. Whatever type her hair may be, it will come out just curly enough, soft to the touch, springy, long lasting and natural looking.

HERE'S WHERE YOUR SCHOOL TAX DOLLAR GOES

Harold Hughes, assistant superintendent of the Grossmont High School District, has prepared an explanation for the forthcoming November tax bills.

Hughes said that later this fall, taxpayers will find on their bills one item labeled "Elementary District Schools." Actually this item covers taxes for support of schools from kindergarten through senior high schools and even provides for the junior colleges. Residents support with their taxes Grossmont Union High School District and one of ten elementary districts: Alpine, Barrett, Cajon, Dehesa, Dulzura, Jamul-Las Flores, Lakesides, La Mesa, Lemon Grove and Santee. The tax rates for 1955 for each of the districts was presented as follows:

Alpine	$2.92
Barrett	2.39
Cajon	3.72
Dehesa	3.80
Dulzura	2.89
Jamul Las-Flores	3.13
Lakeside	3.53
La Mesa	3.57
Lemon Grove	3.37
Santee	4.20

Each figure represents the rate charged the taxpayer for each one hundred dollars he is assessed. The proceeds are shared by the elementary district and the Grossmont Union High School District. Grossmont receives $1.45 from each of the rates listed above. For example, Lemon Grove tax rate for schools is $3.37. Of that amount, the high school district receives $1.45, and the elementary district of Lemon Grove gets $1.92. The junior college tuition fund receives 12c.

Within the districts, the budgets are broken into the following categories: operating expenses, bond retirement, junior college, classified retirement, and state loan repayment. These items are set by law except for operating expenses which are determined by estimates of next year's needs. "Operating expenses at 88c per $100.00 in the Grossmont district," said Mr. Hughes, "provides $150 per pupil per year. This amount is supplemented by $190 per pupil from state taxes, so that Grossmont Union High School District spends $340 for each pupil this year. Pointing to economical and efficient management is the fact that this figure is $60 less than the average spent per pupil in California high schools." Mr. Hughes also pointed out that the Grossmont board of trustees has lowered its tax rate by 15c per $100.00 for the current year.

Clarence C. Crane Dies on Vacation

Clarence C. Crane, 60, died September 12 while on vacation in Seattle, Washington. He lived at 2612 Massachusetts in Lemon Grove.

Crane, a retired electrician from Convair, is survived by his wife, Matilda, and three children: Juanita Cobb, Geneva Reif and Jody Crane, a son.

Services were held at Conrad Mortuary and interment at Rosecrans followed.

SportsRoundup

Coach Glenn Otterson, head grid mentor for the newest addition to the Metro League, El Cajon High School, is really "Learnin' the Blues," and the hard way. Not one single letterman dots the green team that the Braves will furnish this year. Even after the split from Grossmont, the Foothillers retained all the varsity lettermen. All of the Braves' home games will be held at Helix along with Grossmont. The Braves will use the split-T-formation.

Helix's 1954 varsity football squad was a potent machine that scored 157 points to their opponents' 99. In their 15-minute appearance against Chula Vista in the Carnival Helix was edged, 6-0. The next Friday night saw Helix smash Lincoln, 31-0. On October 15, Helix suffered a 19-7 upset by the hands of Pt. Loma in a highly disputed game. League champion Chula Vista then took the measure of Helix by easily winning a 34-12 victory. Then Helix went on a rampage by clobbering Mar Vista, 47-6; ripping Sweetwater 34-6; and romping over St. Augstine, 40-7. A keen Grossmont team stopped the Highlanders in the final game, 21-13. Helix finished the year with five victories and only three defeats. This year a better team is predicted! But time will tell!

Dis 'n Dat . . . The City League cry, as it is every year, is "Beat San Diego." . . . The two likely starting tackles for State College are Dick Runyon and Bob Newton. . . . Kearny's track coach, Algy Lambert, died last week. . . . The Hoover Cardinals and San Diego Cavemen will battle each other in the City League Carnival this Friday night, September 23 in Balboa Stadium. . . . The Metro League Carnival is the same night, in Helix Bowl . . . This Saturday night San Diego Junior College meets Phoenix JC at Phoenix JC at Phoenix—B. T.

MT. HELIX P-TA DISCUSSES BUDGET MATTERS

Fall workshop conducted in La Mesa last week by Mt. Helix Council of Parent-Teacher Association was a huge success, according to Council President Mrs. Don Irwin of 2423 Central Ave., Spring Valley. This year 14 schools sent 138 members to participate in the 13 conferences led by officers and chairmen of the council. Purpose of the workshop was indoctrination of new offices and chairmen who are taking up their P-TA duties for the 1955-56 school year.

The budget for the coming year was adopted in the business meeting that followed the workshop and the following appointments were ratified: Mrs. S. K. Solleder, 9820 Alto Drive, La Mesa, as parliamentarian; Mrs. W. M. Hendrickson, 10735 Challenge, La Mesa, health chairman; and Mrs. Elizabeth Bunch, 7360 Central Ave., Lemon Grove, parent education chairman.

A parliamentary procedure course sponsored by Mt. Helix Council and Foothills Secondary Council of Parent-Teacher Association was conducted in this area recently by Mrs. Byron Netzley, Ninth District parliamentarian, and completed by the following members:

From La Mesa Dale: Mrs. Joe Ellis and Mrs. Robert Higgins.

Golden Avenue: Mrs. J. C. Gomes, Mrs. Ivan Lauritzen.

Carr's CORNER

This evening we were stunned by the sudden realization that it had grown dark and that Summer had quietly bowed out. Today, we have the Autumental Equinox to officially confirm this sad state of affairs and now our light bills will shoot skyward, with a helpful boost from the new surcharge that the S.D. G. & E. Co. have added to our burden.

You will soon need light bulbs and a CARR'S you will find a far larger assortment than in ANY STORE IN SAN DIEGO COUNTY. No fooling — we have 100 kinds in all sizes, shapes, colors and bases, to fill every need. And fluorescent tubes from 8 inches to 8 feet long in all shades, especially the softer ones that favor milady's complexion.

If we can squeeze down our Sunbeam exhibit a little, we shall put a lot of bulbs in our window to give you an idea. Do have a look-see.

HOSPITALS TO NAME 13 DIRECTORS FOR VOLUNTEER SERVICES

A new staff employee to coordinate the volunteer services of the community will be appointed at each of the state's mental hospitals, under a new program announced today.

Men and women experienced in community organization are needed. Those hired will be known as corodinators of volunteer services. Monthly salary range will be $376 to $458. All 14 state hospitals except Atascadero will employ coordinators.

Duties will include organizing a volunteer services program, determining hospital needs which can be supplied by volunteers, and conducting a recruitment and information program to interest community residents in services for the patients.

Applicants must be college graduates with a suitable major. Also required is six months' experience directing a hospital volunteer program, or one year in either community organization work or a hospital therapy program.

Applications are available at Department of Employment offices on Columbia Street in San Diego.

New Teachers to be Introduced In Newspaper Series

Growing enrollment in Lemon Grove schools has been met with a long-range building program and the employment of more and more teachers. This year 25 new members were added to the total staff. In a series of articles in the Review, the teachers new to the schools will be introduced to readers through brief background sketches.

SAN MIGUEL SCHOOL

San Miguel School has a new principal this term. Harry Hale, an exchange administrator from the Hawaiian Islands, replaces Robert Sutton, who will direct activities at Hale's Kialua Elementary School there. A graduate of the University of Wichita, Kansas, and the University of Hawaii, where he obtained BA and MA degrees respectively, he has been principal of elementary schools in Hawaii for a number of years. First president of the Kialua Kiwanis, Hale's other interests include vocal music, YMCA work, and memberships in various professional organizations.

Mrs. Louise Trimmer, who has taught eight years in California, will teach a first grade at San Miguel. The mother of one child, Mrs. Trimmer graduated from Santa Barbara State with an AB degree.

Another new first grade teacher there is Mrs. Joyce Cooper, who has had one year of teaching experience in this state. Following undergraduate work at Michigan State and Ohio University, she obtained her BS degree from USC. Alumni president of Alpha Gamma Delta, she is also interested in music, playing the piano, alto horn, and violin. Mrs. Cooper has three children.

In the second grade Mrs. Marjorie Luedke is new to Lemon Grove. Interested in piano, she is a graduate of the University of Nebraska where she obtained a BS degree. Mrs. Luedke has one child.

Mrs. Marguerite Adams is a third grade teacher at San Miguel. She attended Southwest State Teachers College in Texas and South Western University of Texas, where she obtained her AB degree. The mother of two children, Mrs. Adams taught six years in Texas and one year in California before coming here. Interests include dramatics, band and swimming, and she is a member of NEA, CTA, and Alpha Delta Pi.

New fourth grade teacher is Miss Barbara Wheeler, who graduated from the University of Colorado with a BA degree. A member of Future Teachers of America, she is also interested in drama, plays the drum, and has done summer camp work with children.

Keith Richard will instruct a fifth grade. Married and the father of one child, he attended Indiana State Teachers College in Pennsylvania and Penn State, where he was graduated with a BS degree. He has done post-graduate work at San Diego State College. Richard comes to Lemon Grove with one and one half years experience teaching in Pennsylvania and two years in California. His background includes service in the Army and Air Force, an interest in drama, and membership in the Lions, 4-H, and CTA.

The faculty roster at San Miguel includes many teachers who were employed here in the district last year. Kindergarten teachers are Mrs. Winifred B. Stone and Miss Helen V. Shelton; first grade teachers include Miss Mary Louise Hawkes and Mrs. Mary M. Reilly.

Mrs. Agnes Rodgers will teach a second grade, with Mrs. Dorothy Kennedy teaching a second and third grade combination. Third grade teacher is Wiley Cornelius; Mrs. Hazel Jensen will instruct a third-fourth grade combination.

Mrs. Martha Stammerjohn will teach one of the fourth grade classes, while John Strawn is in charge of a second fifth grade at that school. There are no sixth grade classes at San Miguel this semester.

Next week the Lemon Grove Review will carry the roster of the Golden Avenue School.

COURSES IN WRITING PLANNED FOR U. S. EXTENSION

For the first time, five courses in writing are being presented during the fall semester by the University of California Extension Service in evening classes, C. A. Lewis, principal representative in San Diego, announced today.

All are taught by authors who have been successful in their respective fields, Lewis said. The courses include: Scientific and Technical Writing, taught by Charles Fisher, Convair writer; Writing for Juveniles, by author Betty Anderson; Workshop of the Novel, by novelist Oakley Hall; Magazine Fiction Techniques, by Ronal Kayser who writes under the name of Dale Clark; and Writing for Educators, a course covering the practical problems of communication ideas, taught by Charles Byrne, director of public information for the San Diego school system. Complete details may be obtained from the extension office at 1015 Seventh Ave., Lewis said.

Grossmont Hospital Proving Popular With Babies

In 20 years, when the young draftees step up and register, many from this section will answer "Where were you born?" with "Grossmont Hospital."

Twenty eight births were recorded at Grossmont Hospital in August and five days in September including one from Spring Valley and two from Lemon Grove.

The youngster from Spring Valley was born to Mr. and Mrs. L. W. Phillips, 8875 Country Club Place, a girl, weight 7 pounds, 1¾ ounces.

Lemon Grove's contribution were a girl, 7 pounds 3¼ ounces, born to Mr. and Mrs. Charles W. Wilson, 2028 Dayton Drive, and a boy, 7 pounds 8½ ounces, born to Mr. and Mrs. Donald R. Hart, 7150 Broadway.

The first pair of twins born in the hospital came to Mr. and Mrs. Arthur Brown of All Saints Trailer Court, El Cajon. The boy, named Arthur William Stewart Brown, was born at 11:50 a.m. and weighed 3 pounds 4 ounces. The girl, Deborah Marie Brown, was born at 11:59 a.m. and weighed 2 pounds 13½ ounces. Both babies are in Isolettes and are reported to be making satisfactory progress.

La Mesa contributed one fine boy weighing 8 pounds 2 ounces, born to Mr. and Mrs. Carl B. Murray, 7545 Normal Ave., La Mesa.

San Diego added three to the list, a boy, 6 pounds 12 ounces to Mr. and Mrs. William Croshier, 4384 Upas, on August 26, and two days later a boy weighing 8 pounds 10½ ounces, came to live with Mr. and Mrs. John Ritchey, 4626 Wendel Avenue. The next day another San Diegan arrived, a girl named Patricia Jeanne, 7 pounds 1½ ounces, to live with Mr. and Mrs. Rocco John Perry, 2724 National Avenue.

Flagstaff, Arizona contributed a 6 pound, 3½ ounce boy. His proud parents, Mr. and Mrs. Ernest Bowler, 93 Cottage City, Flagstaff, are going to have a hard time explaining to the lad after a while how come he was born way over in California instead of Arizona.

El Cajon city topped the list with nine future soldiers, including the twin babies first mentioned.

The singles were: 8 pounds, ½ ounce girl to Mr. and Mrs. Wayne Mahan, 137 Beech St.

The next day, August 27, a 6 pound, 10¾ ounce girl came to Mr. and Mrs. Gerald L. Eaton, 809 Cuyamaca, and on August 29 a 7 pound, 2¼ ounce boy came to Mr. and Mrs. Charles B. Martin, 792 N. Mollison. The same day a 9 pound, 5 ounce girl came to Mr. and Mrs. Earl R. Gose, 360 Emerald, El Cajon.

Later news from Grossmont:

Notes on births since August 31 were mislaid, and just now located, so we can add to Spring Valley's roster of future voters a 7 pound 6 ounce boy to Mr. and Mrs. Deel Fletcher, Star Route, Spring Valley and a 7 pound 3½ ounce girl who came to Mr. and Mrs. Floyd Colvin Meier, 3889 Carancho, Lemon Grove.

Lancaster, Calif., (Antelope Valley, north of Los Angeles), was represented by a 7 pound, 1 ounce boy born to Mr. and Mrs. Phillip Edward Wonsyld, 45039 N. 15th St. The fame of Grossmont Hospital seems to be spreading.

La Mesa added to the list between Sept. 1 and 5, three girls and a boy, while San Diego added two and El Cajon contributed three girls in that period. Our next report will start with September 6.

Our congratulations to these happy parents.—D. H.

Second-place Pads . . . Well! I guess the number two rung is beter than 3-8. I personally think the Padres might have taken it, but with poor clutch hitting, stranded runners, weak relief pitching, and other errors too numerous to mention, we goofed the pennant away! But another year is sooner than you think!

On Thursday, September 8, the Frisco Seals dimmed any Padre vision of a pennant by routing the border crew, 13-1.

On Friday the Filmlanders edged the Pads on an unforgivable error, 4-3.

Saturday afternoon saw the Pads topple the Stars by McLish's excellent chucking plus three homers.

Sunday's double header saw the Pads split in order to cop second place. They lost the opener 7-6, but copped the nightcap, 6-5.

This week's "Throwin' the Bull" award for the "Worst Hitter" goes to Dick Sisler and Buddy Peterson.

"Football" . . . The football frenzy is once again racking the sports minded individual. But let us, in the midst of this pigskin pandemonium, call a quick time out. Just what is this game called football? What about its origin? Where did it get its start? These questions are not just idle sentences, for when we have cleared them up, then we can more fully enjoy, even more deeply appreciate this great American sport of "Football."

First of all it is not an original American sport. Yes, the game is played almost exclusively in the States, but its origins came from a civilization now long dead.

Football was first played in ancient Rome. It was introduced by Julius Caesar and became one of the most popular sports by the time of Nero's royal reign. The famous historian Oxweski reported on a cement scroll that a crowd of MMCLDXVIII people watched a Saturday afternoon Colosseum game played between the Christians and the Lions.

When the Roman empire declined, so did football. The barbaric Huns, Huks and Goths preferred the $64,000 question. However, by the 12th century A.D. football began to rise in popularity again. The famous historian Oxweski stated the entire European continent was clasped by high excitement in the year 1196 when the Crusaders, under Freddie Barbarossa, journeyed all the way to Damascus to play the Saracens in the Sand Bowl game. The Crusaders squeaked through 23-21, on a field goal by Dick Coeur de Lion in the closing seconds of the game.

Credit must be given to Leonardo da Vinci, in 1512, for completing the first "forward pass." He threw a Davy Crockett watermelon at one of his models.

The end of football in Europe came with the notorious "Black Sox Scandal." This took place in 1587, in which Ed Machiavelli, one of the Pizza mob, paid off the University of Heidelberg Sabres to throw their first home game to the University of Grossmont Grunions.

IT USED TO BE WESTERN—BUT NOW IT'S TP

The initials of the name of the owner of the former Western Auto store at 7820 Broadway have been taken to designate the new firm, Tom Pagagni, store owner said this week.

The firm will be known as T. P. Hardware and Appliances, but was not chosen from the list submitted by contestants in a name-choosing contest.

Winners in the contest were: Nellie Slater, 4465 32nd St., Penn Mower; Herbert Lowe, 3321 Imperial, fishing pole, and P. E. O'Connor, 7456 Pacific, an electric drill.

Papagni, who with his wife Val, decided on the new name, said that a huge teepee would be erected atop his store and the character of the store will be changed to back up the firm's full name of TP Hardware and Appliances.

Complete line of Dutch Boy paint, G. E., Westinghouse and Sunbeam appliances, S&K tools, Disston, Atkins saws, Black and Decker, Cummings tools, Stanley, Millers Falls and True Temper tools will be handled.

DON'T MAKE A TRUCK OF YOUR AUTO WARNS HIGHWAY PATROL

SACRAMENTO—Be sure that load is securely fastened, says the California Highway Patrol to motorists who drive vehicles laden with miscellaneous articles.

"The law says that no vehicle shall be driven or moved on any highway unless such vehicle is so constructed or loaded as to prevent any of its contents or load other than clear water from dropping, sifting, leaking or otherwise escaping therefrom," stated Ross R. McDonald, deputy commissioner of the patrol. Vacationers with overloaded or poorly loaded vehicles, truckers carrying boxes and smaller cargo not tied down and campers who hurriedly throw things together for a quick trip frequently lose boxes and other articles on the highway which become hazards to traffic and in many cases are the cause of accidents.

SPRING VALLEY
SEWER BOND ELECTION
TUESDAY SEPTEMBER 27th

Beware of rumors and misleading reports as to costs

ENGINEER WARREN BARNEY STATES THAT THE REDUCED DISTRICT HAS AN ASSESSED VALUATION OF $5,172,000. THE PROPOSED BOND ISSUE IS FOR $735,000 WHICH, WITH 4% INTEREST AMOUNTS TO $1,185,000. DIVIDE THIS BY THE ESTIMATED 800 HOMES IN THE DISTRICT AND YOU HAVE A BURDEN OF ABOUT $1500 AGAINST EACH HOME. BUT THIS PAYS FOR ONLY THE TRUNK LINES AND THE DISPOSAL PLANT.

Lateral sewer lines and hidden costs

IF 51% OR MORE OF YOUR NEIGHBORS WANT SEWER CONNECTIONS, IT WILL BE NECESSARY TO PETITION TO FORM A LOCAL DISTRICT UNDER THE 1911 ACT. IF THE SUPERVISORS APPROVE, YOU MUST THEN HAVE ANOTHER BOND ISSUE TO PAY FOR THE STREET SEWER LATERAL, TO BE REPAID WITH INTEREST IN 10 YEARS. A FRONTAGE OF 75 FEET AND A SEWER LINE 75 FEET FROM THE LATERAL TO THE BATHROOM, MAKING 150 FEET, WILL COST $600 AT $4 A FOOT MINIMUM. HALF OF THIS IS PAYABLE TO THE PLUMBER IN CASH; THE OTHER $300 CARRIES INTEREST CHARGES AND A 10 YEAR BOND.

Sample cost of small lot and house set close to the street

1. SHARE OF 30 YEAR BONDS AND INTEREST	(approx.)	$1500
2. SHARE OF LATERAL (not including int.)	(minimum)	300
3. COST OF LINE FROM LATERAL TO BATHROOM	(minimum)	300
4. CONNECTION CHARGE	(fixed)	165
Estimated total		$2260

Startling contrast

Homeowners in Lemon Grove and Spring Valley are studying this startling contrast:

(a) 500 acres occupied by EXISTING HOMES are asked to pay sewer taxation estimated at $50 per home every year for 30 years, BUT,

(b) 2500 acres held for FUTURE HOMES ARE LET OFF with about 25 cents per acre. What a contrast, $50.00 and 25 cents !!

WHO HAS FAITH and WHO PAYS?

If the sewer promoters believed their own statement (namely, that this unjust taxation on EXISTING HOMES will be reduced as and when new homes are built on the 2500 acres) they would consent to have their 2500 acres assessed now on the basis of their statement. They have not done so. Why should existing homeowners put their faith, and also gamble their homes, on a scheme in which the promoters are investing merely the hope of making a very fast buck?

APPROACHING CONSTRUCTIVE FRAUD

The sewer laws permit County Supervisors to ask voters to support what borders on a constructive fraud upon existing homeowners. If the sewer bonds pass, the present law puts would-be subdividers in a lucrative business at the expense of existing homeowners. Accordingly, homeowners are urged to oppose the Spring Valley sewer bonds until the one-sided sewer law has been amended to protect existing homeowners from the unjust taxation mentioned above. We must insist that property shall be taxed for sewers exactly in accordance with sewer benefits received. DO NOT GAMBLE YOUR HOMES ON A PROMISE OF FUTURE PERFORMANCE. VOTE "NO" on September 27th AND STRIKE A BLOW FOR THE PROTECTION OF YOUR HOMES AGAINST WOULD-BE SUB-DIVIDERS WHO PLAN TO SELL OUT AND GET OUT AT YOUR EXPENSE.

A "Yes" vote will not automatically bring sewer service

ENGINEER WARREN BARNEY STATES THE COST OF THE SEWER IN ADDITIONAL TAXATION WILL BE ABOUT 55 CENTS PER $100 ASSESSED VALUATION. BUT, STRANGE TO SAY, HE FORGOT TO INCLUDE THE SUBSTANTIAL INTEREST CHARGES. THIS SEWER SONG IS THE SAME SWEET BUT CRACKED RECORD PLAYED TO THE HOME OWNERS OF ALPINE, JULIAN, AND OTHER PLACES. SPACE DOES NOT PERMIT PUBLICATION OF DETAILS OF EACH OF THESE SANITATION DISTRICTS. BUT YOU CAN IMAGINE THE SHOCK AND DISMAY AT ALPINE WHEN THE SEWER TAX BILLS DISPLAYED A FANCY LITTLE ITEM OF $3.70 PER $100 VAULATION INSTEAD OF THE 67 CENTS ESTIMATED. TO BRING THIS MORE CLEARLY INTO FOCUS, THE ALPINE PEOPLE WITH HOMES VALUED AT $2000 HAVE THE HAPPY PRIVILEGE OF PAYING $74 A YEAR FOR THIRTY YEARS FOR A SEWER TO WHICH, EXCEPT FOR 24 HOMES, THEY ARE NOT CONNECTED. APART FROM THESE 24 CONNECTIONS IN TWO YEARS, THE PEOPLE WHO HAVE MORTGAGED THEIR HOMES TO PAY FOR THE SEWER CANNOT AFFORD TO CONNECT. THEY PREFER TO CONTINUE TO USE THEIR SEPTIC TANKS.

Will the costs grow less year by year?

WE ARE GLIBLY ASSURED THAT A SEWER WILL ENSURE A GREAT INFLUX OF NEW RESIDENTS WHO WILL HELP PAY THE SEWER BILLS AND REDUCE TAXATION. WITH THE THOUSANDS OF PROPERTIES ADDED TO THE TAX ROLLS IN SAN DIEGO COUNTY, HOW MANY PEOPLE HAVE YOU FOUND REJOICING IN THE STREETS BECAUSE OF A REDUCTION IN THEIR TAX BILLS? WITH SOMETHING LIKE $400 MILLION ADDED TO THE TAX BASE SINCE 1950 — 5 SHORT YEARS — COUNTLESS THOUSANDS HAVE HAD THEIR TAXES DOUBLED OR EVEN TREBLED.

Think this over carefully before you vote – But be sure to vote on Tuesday September 27th.

Issued by members of the Mountain Valley Taxpayers Association living in the Spring Valley Sanitation District.
